

### **Corrimal Probus Club Website.**

Website address (URL): <https://corrimalprobusclub.com/>

Our Club's website reached its 4<sup>th</sup> birthday in January 2025, and allows interested members and visitors an additional platform and reference point to easily access, view, and/or print:

- Various reports as distributed in our club's monthly newsletter,
- What's On - a memory jogger for upcoming events, activities, outings and tours
- Review of some past club events, activities, outings and tours
- And coming soon (with your help) ..... an updated photo gallery – a slideshow of new photos supplied by members attending our various club events, outings, activities, and tours.

Your committee welcomes your feedback and ideas of what else could be included so that together we build a website that satisfies our club's requirements - noting that privacy sensitivity needs to be considered.

Our website runs on most browsers allowing you to access it on your desktop, laptop, tablet and smartphone, as its design includes automatic screen size calibration and orientation.

Please email me your ideas, and any photographs that you would like to include in the updated photo gallery to email address [corrimalprobus.publicity@yahoo.com](mailto:corrimalprobus.publicity@yahoo.com).

Cheers,  
Mark Blackshaw - Publicity Officer
